## *Why should I book The Singing Chef?*

Your Wedding is an all-day affair so providing entertainment throughout really helps to keep the day rolling and keeps your guests as happy as we hope you will be.

The dinner service takes time so why not get the party started straight away with the The Singing Chef. The show is the perfect ice breaker with guests who may have met for the first time but want to make your day unforgettable.

---

## *When does The Singing Chef appear?*

The Singing Chef can appear at any point of the dinner service.

He is a one-man flash mob!!

We liaise with the venue co-ordinator to ensure the performance is at the optimum time for your Wedding.

---

## *My friend is getting married, can I surprise them with the Singing Chef?*

Great idea! Many of the chef's appearances are a surprise for the Bride and Groom.

The Singing Chef makes a perfect gift and I can work with the venue co-ordinator to make sure it is top secret until the big reveal!!
